REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilsum :

I submit herewith my sixth annual report as superintendent of schools.

Our legislators at Concord are striving to find some avenue by which they may lighten the burden of taxation. We heartily co-operate with them in so far as it does not cripple our educational institutions. Therefore, as the printing of reports is costly, I shall emphasize the word brevity in my remarks. My statements will be general rather than specific and given to details.

President Hoover has stated concisely the philosophy of our educational system in the following words:

“Racial progress marches upon the feet of healthy and instructed children. There should be no child in America that is not born and does not live under sound conditions of health; that does not have full opportunity of education from the beginning to the end of our institutions; that is not free from injurious labor; that does not have every stimulation to accomplish the fullest of its capacities.”

PROMOTIONS

Numbers of promotions made in June from the respective grades were as follows:

Grades,	I	II	III	IV	V	VI	VII	VIII
Grammar,					8	4	5	4
Primary,	6	13	7	4				
West,	1	3	1	0	5	2	2	1
Belvedere,	0	2	1	0	1	1	0	1
Totals,	7	18	9	4	14	7	7	6

These promotions were based on regularity of attendance, daily work, examinations, and standard tests.

TEACHERS

Teachers for school year ending June 30, 1928 were as follows: Village Grammar, Miss Marion Louise Gee; Village Primary, Miss Mildred Pitcher; West, Miss Teresa O'Mara; Belvedere, Miss Josephine Conway.

The schools maintained an excellent record for regularity of attendance. The percent exceeding that of the supervisory district and of the state. The schools were well organized throughout the year and made commendable progress.

At the close of the year, Miss Pitcher who had rendered faithful service for five years in the Village Primary school resigned.

In Miss Pitcher's resignation Gilsum lost an efficient teacher. A teacher whose untiring efforts were motivated by a high sense of duty involved and by a deep interest in the highest welfare of her pupils.

In conclusion, I wish to express my appreciation of the co-operation of teachers and the helpful support of parents and school board.

Respectfully submitted,

FREDERICK T. JOHNSON,
Superintendent of Schools.
